

GARSTANG CAMERA CLUB NEWSLETTER FEBRUARY 2020

In January, the club presented a garden voucher to June Gornall who retired from the club committee this year after some 15 years' service including times spent in the roles of Vice Chairman, Club Secretary, Programme Secretary and Treasurer. We thank June for all her hard work on behalf of the club. June is still a member after over 30 years and her help and advice is always appreciated.

On the 5th February, we have a visit from Steve Proctor DPAGB BPE4* telling us the stories behind some fabulous images from his portfolio. This will also be the final night on which members can bring in their images for the 'Anything Goes' photographic competition to be held in March.

12th February will be our Humanities competition, with experienced Lytham judge Ken Ainscow DPAGB BPE4.

On the 19th we have a talk entitled Sgt. Pearson by Stan Pearson, a look at his father's experience in WW2 in Italy. We also take a look at the Wildlife of India following a recent visit from member Ken Harrison.

Later in the year, as well as competitions and workshops we have presentations by various speakers including Toni Pioli on 'Nature', Gary Waidson on 'Working with Layers in Photoshop' and a 'Lightweight Approach to Landscapes' by Robin Whalley.

If you are interested in photography, come along as a visitor and see if you feel we can help. Meet our members who can help with your queries about equipment, photo editing or photography in general. Or just come along as a visitor to one of the talks by visiting lecturers. The cost to visitors is just £4 including refreshments.

Visit our website or email us for more information.
